

Fees & Standard Charges 2006

Notes on Fees

The amounts shown for student fees in the programme listings are indicative and are meant as a guide only. Both fees and other costs are at 2006 rates where available. Please check with CPIT for current fees as government initiatives may affect fees for some programmes.

- **For programmes longer than 12 months**
The fee shown is for the first year of study only (unless otherwise stated).
- **Where students have a choice of courses**
For some major programmes the domestic fee may represent an average cost for the programme of study. This is because different courses within a programme can have different fees, so your final cost is influenced by your choice of courses.
- **Free Fees**
This normally applies to the tuition component of the total fee only. NZQA Fees, external exam, assessment or registration fees, Student Services Levy and CPSA Fee may still apply.
- **Other Costs**
May include costs for textbooks, materials, uniforms, travel to work experience, and some exams which are not included in the general tuition.

- **Students' Association**
The fees quoted include Christchurch Polytechnic Students' Association membership fee, which is equivalent to \$111 for a full time year.
- **Student Services**
The fees quoted include a charge for Student Services (eg Health Centre access), which is equivalent to \$70 for a full time year.

International Student Fees

The amounts shown for international student fees in the course listings are in NZ\$ and are valid for 2006.

The fees quoted include GST, language support, airport pickup and free use of campus facilities. All international students are required to pay an additional \$200 for Student Services and Students' Association fees.

To obtain a student visa the fees must be paid by the due date shown on your invoice. You will then be sent an official receipt that is required by immigration before you can obtain your visa.

Refunds & Withdrawal Policy

The international and domestic student refund and withdrawal policies are in the CPIT Student Handbook and on the website: www.cpit.ac.nz
